Dear [REDACTED]

On September 2, 1959, you were kind enough to send me a copy of "The Economic Front", a speech you delivered at the National Strategy Seminar. At the time, you said that you were having an extra set of slides made up for me.

I am using much of your material in my talks to reserve units but need the slides to make the presentation effective.

This is just a note to let you know that I am still very much interested in receiving the slides, and also to thank you for the copy of the speech.

Sincerely,

*Charles Reilly*
